MAY 20/23 – Tentative date for Recital

New York City Studio Trip, DEC. 2023

**The New York Trip was AMAZING!! Besides dancing in Times Square and dancing in the “Aladdin” theatre, they also saw the Radio City Christmas Spectacular, (some went to a class with the Rockettes or at Broadway Dance Center), saw Rockefeller square with the Rockefeller Square Christmas tree, saw some Broadway shows, went to Central Park and so much more. It was a Special experience in every way!!

There are a few things we would like everyone to be aware of at the studio, as well as some specific info for the students in the exam/competition/dance-even-more category

1. ATTIRE – ****In all classes, the teachers expect the students to participate with proper attire. Proper tights, bodysuit, shoes, hair in a bun...these are the expectations in class. Be sure the students' dance bag has what the student needs to meet this requirement; there are Dance Kits for sale for \$10.00 that have elastics, pins, hairnets, barrettes, hairbands, safety pins, band aids, hand sanitizer as well as needle and thread. Students 6 years and under, hair in a ponytail or pig tails are acceptable but from 7 years and up, hair up is required in ballet classes and 9 years up in the other disciplines as well. When we are working on turns, hair up is a necessity for proper form. Also, please put the students' name in their shoes...it helps us to return misplaced shoes!**

2. WASHROOM – Please encourage the students to visit the washroom before class...the staff can all relay tales of the “bathroom parade” they witness once one student starts out the door!!

3. ATTENDANCE – Please be on time for classes, 5 minutes ahead is great. Let us know by email or phone if your child is going to be late or missing...it keeps us from worrying about them.

4. FOOD – When the young students have more than 1 class in a row, the teachers will take 2 minutes for the students to have a quick, healthy snack or drink of water to keep them going. **Please do not send sugary snacks or drinks to avoid the blood sugar spike and crash; and be sensitive to food allergies especially nuts.** If students have a break and eat, use the table in the waiting room and not in the dressing room where spills could end up accidentally soiling possessions of others. Everyone cleans up after themselves...pour out excess liquids in the sink, put refuse in the garbage and be sure to use the recycling can for cans and bottles (not garbage!) **PLEASE RECYCLE!!**

5. PROBLEMS – Please, please...if you are experiencing any problems, let us know. We can't help to create a solution to a problem if we don't know it exists. Most problems are easily rectified, but we need to know! ☺

6. EXAMS – There are going to be ballet exams that we would like to participate in after Christmas. Those fees are now due for Gr. 4, Gr. 6 and Gr. 8 Ballet.

7. ACCOUNTS – Please get any and all payments in as soon as possible. We still have many outstanding accounts from last year as well. If you need to make special arrangements, just give Miss Renee a call at the studio...we are fairly understanding and would much rather work with you than to have to call collections!

9. ATTITUDE – At Backstage, we would like to promote a healthy, positive attitude, from everyone involved – students, parents and teachers. We as teachers have high expectations but recognize students' limitations. A love of dance is promoted...and we do things the way we do them because after 30 + years of teaching, it's what we really believe is best for the students. We also respect there are different viewpoints in the dance world, based on different experiences. Let's all be encouraging and positive to all involved in dance, in whatever capacity that entails.... **HURRAH FOR DANCE!!!**
